

DISASTER ASSISTANCE GRANT PROGRAM SOUTHERN CALIFORNIA FIRE RELIEF

The Disaster Assistance Project Grant Program was established by the Kiwanis Cal-Nev-Ha Foundation to assist Kiwanians and their clubs in providing immediate disaster relief assistance in the event of a natural disaster. To assist clubs in this endeavor, the Cal-Nev-Ha Foundation makes available club grants for **service projects**, up to **50% of the total project cost**, with a **maximum of \$500.00**.

Criteria: Grants may be considered for the following: 1) Direct assistance to a Kiwanian or a Kiwanis family; 2) To support a club project to assist with disaster relief efforts in their community. To ensure a maximum number of clubs will be able to participate in the program, the Foundation Executive Committee established the maximum amount of \$500.00.

Policies: Grants are limited to one grant per project or per Kiwanis family. Multiple requests from a Kiwanis club will be considered; however, consideration will first be given to Kiwanis clubs applying for the first time. If your club has already spent money on a disaster relief project, please include copies of your receipts with your completed grant application.

In addition, the Kiwanis Cal-Nev-Ha Foundation requests a follow up report of your club's service project, including photos, video clips and other data that would best convey how your grant was used and how providing this funding recognized the Kiwanis family.

Please note the following:

1. Incomplete applications can not be considered and will be returned to the club;
2. Applications may be submitted at any time during the year. Please allow one week processing time;
3. Limits to grant awards are 50% of total cost or up to a maximum of \$500.00;
4. Grant funding is limited to one award per project;
5. If your project is a fundraiser, it is ineligible for grant funds;
